

## Using Flickr to Access Press Images

<http://sundance.org/images>

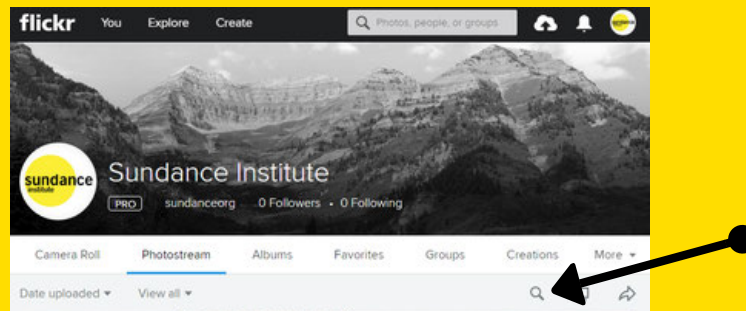

1. All Sundance Institute images can be found in the photostream:

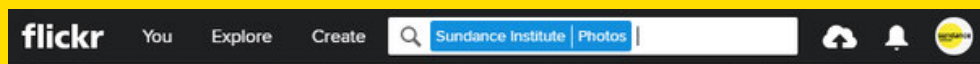

2. Film-specific images are grouped by film using albums:

3. To search within Sundance Institute's photostream, use mid-screen search icon:

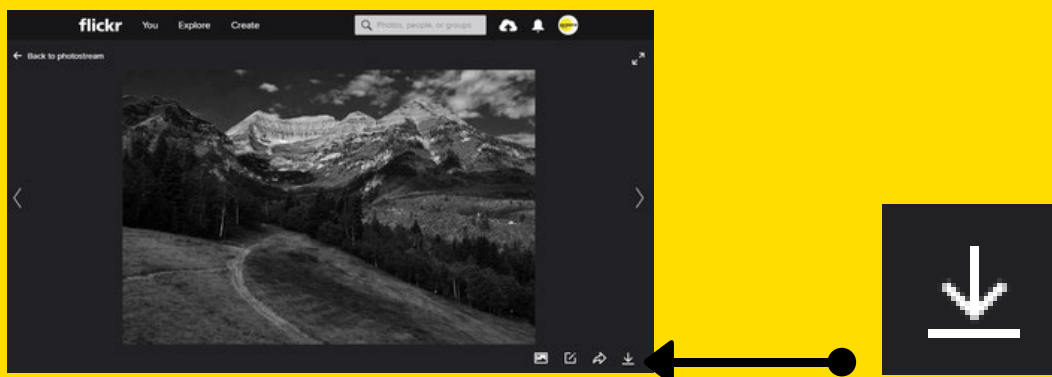

You will be prompted to type search terms into the upper search bar, with parameters added to restrict your search to Sundance Institute's account:

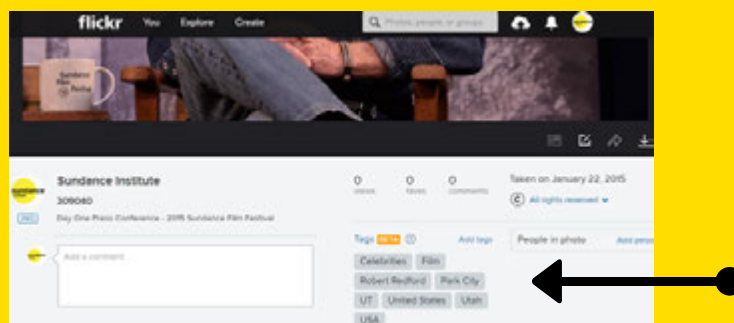

# 2017 SUNDANCE FILM FESTIVAL | PARK CITY, UTAH JANUARY 19-29

4. To download an image for editorial use only, select down arrow icon from image view:

5. To navigate to other Sundance Institute images within the same section, by the same director, or of the same image type, select tags from image view:

6. For all press asset and film materials inquiries, contact [filmsupport@sundance.org](mailto:filmsupport@sundance.org).

PLEASE NOTE: All photos are copyrighted and may be used by press only for the purpose of news or editorial coverage of Sundance Institute programs. Photos must be accompanied by proper image credits and/or 'Courtesy of Sundance Institute.' Unauthorized use, alteration, reproduction or sale of logos and/or photos is strictly prohibited.
