*Please note – there are select groups that have elevated package selection timeslots before Sundance Circle and some screenings may sell out before Sundance Circle selection timeslots begin.

SUNDANCE CIRCLE FESTIVAL GUIDE

PRE-SELECTED FESTIVAL TICKETS

(TICKETS REQUESTED FULFILLED DIRECTLY
THROUGH SUNDANCE CIRCLE)

There is a limited number of tickets for each screening available to Sundance Circle and we do fulfill in level order. Generally members at the Visionary and Champion level get 90-100% of their first choices; Leader 70-80%; Guardian 60-70%; Advocate 50-60%. If you turn in your ticket request form after the set deadline, the chances of getting your first choice films at any giving level is diminished. Complimentary ticket forms are sent out in mid-December and are asked to be returned by a tiered deadline system: Visionary (late December), Champion (late December), Leader (late December), Guardian (early January), Advocate (mid-January). Specific dates will be messaged in December.

STANDARD FESTIVAL CREDENTIALS AND EXPRESS TICKET CREDENTIALS

Standard Festival credentials give one person access to all non-theatrical venues such as Festival Basecamp, Filmmaker Lodge, New Frontier, Music Café (daytime admission), Festival Co-Op and other official sponsor venues. Standard Festival credentials are transferrable and while a name is preferred, you may also request "Guest of Sundance Circle" credentials which can be shared by multiple people. Standard Festival credentials do not allow access to theatres.

Express Ticket Credentials (offered at the Leader level and above) offer the credential holder access the Pass Holder line at theatres when a ticket is presented for the occurring screening. Express Ticket Credentials are for a single person's use and require a name and photo attached (unless designated as transferable). Express Ticket Credentials also give non-theatrical venue access so a separate Standard credential is not required.

FESTIVAL LODGING — FIND A PLACE TO STAY FIRST!

Lodging in Park City during the Sundance Film Festival is always the first thing to get snatched up by Festival goers, so we recommend that you book early to make sure you get your ideal housing! We encourage you to book no later than September for best options and rates. Visit the Sundance Institute lodging website to book online now and further support the Sundance Institute - a portion of all lodging sales supports the Institute's year round work!

FESTIVAL TRANSPORTATION AND PARKING

The recommended source for transportation during the Festival is the free shuttle system. Due to limited parking options and traffic congestion in Park City we do not encourage driving. Shuttles run regularly throughout the day and night during the Festival and stop at all major Festival venues. If you will be bringing a car to the Festival and are interested in buying a parking permit please note the places where parking passes are available (pricing is for the full Festival and subject to change):
China Brige (Behind Main Street) \$350
Eccles Theatre \$500
Yarrow Hotel \$150-\$300
Temple Theatre \$300*

*limited number of complimentary passes available to Visionary members

Sundance Circle staff will help Leader members and above arrange parking pass purchases and have those passes available for pick up in the Sundance Circle Festival Office.

Without a parking permit, parking is not allowed at theatres. Limited ADA parking does exist at some theatres and venues and related questions can be directed to ada@sundance.org. If you are interested in hiring a car service during your time at the Festival, the company that Sundance Institute recommends is Miderra Transportation Management. They can be reached by phone at (866) 374-8824 or e-mail at clientservices@miderra.com.
