

# ***NEW FRONTIER***

**VISIT THE SPACESHIP  
JANUARY 20 - 28, 2022**

Since its launch, the Sundance Film Festival's New Frontier has served as a showcase for dynamic, innovative work at the crossroads of film, art, and technology.

Accessible via computers and VR headsets, New Frontier has many places to explore, and the deeper you go, the richer your experience will be.

Click below to explore our interactive map and use it as a guide to navigate The Spaceship.

The logo for the Sundance Film Festival 2022, featuring a small yellow dot above the word "sundance" in a lowercase sans-serif font, with "FILM FESTIVAL" in a smaller uppercase font below it, and "2022" at the bottom.

The logo for the Sundance Institute, consisting of the word "sundance" in a lowercase sans-serif font above the word "institute" in a smaller lowercase font, all contained within a light gray circle.

## INTERNATIONAL SPACE STATION (ISS)

Astronauts on the International Space Station orbit our planet every 92.68 minutes, witnessing 16 sunsets and sunrises in a single day. Every astronaut returns to Earth with an entirely new perspective.

# SPACE GARDEN

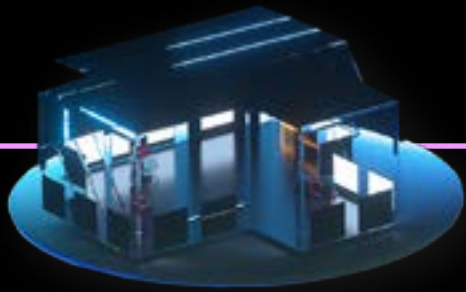

Ready for life aboard the New Frontier Spaceship? Now is the time to get oriented to the New Frontier Experience. When you first launch into space, you will land in the Space Garden. The Space Garden is your one-stop shop to access all that The Spaceship has to offer. From here, you can navigate to Cinema House, Film Party, The Gallery, and even edit your Avatar!

## **THANK YOU FOR EXPLORING!**

We built the New Frontier Spaceship with love, and in a way that allows festival audiences from all over the world to gather and find community around the films and artworks at the 2022 Sundance Film Festival. Thank you for joining us in keeping cinema culture and the spirit of experimentation alive and well!
