How to Book Your Festival Lodging

- Book ASAP- the sooner the better!
- Plan your travel dates: The full Festival dates are January 18th - January 28th.
 - All films will premiere in Park City between January 19th and 23rd.
 - For filmmakers interested in attending the Festival during the dates of the in-person premieres, we suggest arriving by or on Thursday, January 18 and departing on Wednesday, January 24.
 - For filmmakers interested in attending the entirety of the Festival, we encourage you to arrive by or on Thursday, January 18 and depart on Sunday, January 28.
 - We also have a lot going on during the second half of the Festival. Our Beyond Film programming runs from Friday, January 19 until Friday, January 26. And we are hosting an informal awards gathering on the morning of Friday, January 26. We look forward to celebrating with filmmakers who are still in town at that time!
- We do not recommend staying in Salt Lake City (a 45 minute drive from Park City) or Heber/Midway (a 30 minute drive from Park City). If you choose a hotel in the Heber/Midway area, consider renting a car and parking each day at a designated park and ride lot in Park City and ride the free festival shuttle from there.
- Kimball Junction is about 6 miles from Park City Main Street and may have some great, affordable options. However, do allow yourself extra travel time to get to our theaters and venues. Shuttles to Kimball Junction run until 2 am.
- Most properties require a minimum night stay. Search for at least five nights during first weekend dates and at least three nights during the second week of the Festival.
- There is NO PARKING at our theaters and venues. Everyone rides the FREE festival shuttles. Find a place near a bus stop.
- It's hard to find places near Main Street. Ask the reservation team to look for condos near town, in the Canyons Village, Park City (~4 miles from Main Street, 20/30 mins on Free Shuttle)
Deer Valley's Snowpark Village, Park City (~2 miles from Main Street, 10 mins on Free Shuttle)
Other Deer Valley areas, Park City (2 - 4 miles from Mains Street, 10/20 mins on Free Shuttle).
