INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of Sundance Institute

Opinion

We have audited the accompanying financial statements of **Sundance Institute** (a nonprofit organization), which comprise the statements of financial position as of August 31, 2023 and 2022, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **Sundance Institute** (the "Institute") as of August 31, 2023 and 2022, and the changes in net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Institute and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Institute's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Institute's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the institute's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS August 31, 2023 and 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Sundance Institute (the "Institute") is a Utah not-for-profit corporation organized in 1981 dedicated to the discovery and development of independent artists and audiences. Through its programs, the Institute seeks to discover, support and inspire independent film and media artists from the United States and around the world, and to introduce audiences to their work. The Institute presents its annual Sundance Film Festival and offers a range of artistic development programs that provide creative, financial, and strategic support for independent fiction and nonfiction filmmakers, screenwriters, documentary film makers and independent film producers. The Institute's labs and workshops offer an environment that encourages artists to take the creative risks that often lead to innovation. Leading film professionals serve as creative advisors and support participating artists in realizing their original stories. Infused throughout the organization are the guiding values of creativity, community, freedom of expression, quality, independence, diversity, innovation, and authenticity. The Institute seeks to promote film, media arts and artists as a source of fresh, challenging, and diverse ideas in society through the following core programs:

Sundance Film Festival Program

The 2023 Sundance Film Festival presented 101 feature-length films representing 23 countries.

The program was comprised of 32 of 115 (28%) feature film directors who were first-time feature filmmakers, and 17 of the feature films and projects were supported by Sundance Institute in development through direct granting or residency labs. 93 of the Festival's feature films, or 94% were world premieres. These films were selected from 15,855 submissions including 4,061 feature-length films. Of the feature film submissions, 1,662 were from the U.S. and 2,399 were international. Of the short film submissions, 4,996 were from the U.S., and 5,985 were international. The short film program represents work from 23 countries.

Of the 101 feature films, 53% were directed by one or more filmmakers who identify as women; 5% were directed by one or more filmmakers who identify as non-binary individuals; 45% were directed by one or more filmmakers who identify as people of color; 20% by one or more filmmakers who identify as LGBTQ+, and 3% identify as a person with a disability. In the U.S. Dramatic Competition, 61% of the directors identify as women; 61% as a person of color and 23% as LGBTQ+. In the U.S. Documentary Competition, 63% of the directors identify as women; 63% as a person of color, 13% as LGBTQ+ and 6% identify as a person with a disability. In the World Dramatic Competition, 58% of the directors identify as women; 50% as a person of color, and 25% identify as LGBTQ+. In the World Documentary Competition 46% of the directors identify as women; 38% as a person of color; 23% as LGBTQ+ and 8% identify as a person with a disability.

Additionally, the Festival showcased 64 short films, 4 episodic projects.

NOTES TO FINANCIAL STATEMENTS August 31, 2023 and 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Nature of Operations (Continued)

Feature Film Program

The Sundance Institute Feature Film Program ("FFP") has championed leading independent filmmakers of the past 40 years whose distinctive films have engaged audiences worldwide. Embracing each artist's unique vision, the program encourages a rigorous, in-depth creative process while focusing on original and deeply resonant storytelling. The Institute's guiding values of risk-taking, community, and freedom of expression have broadened the FFP to include American and international artists in a more meaningful and vibrant dialogue across cultural, political, and geographic boundaries. For years, the program has provided year-round support to the next generation of filmmakers from development through distribution, becoming a global model for supporting artists everywhere.

Documentary Film Program

The Documentary Film Program ("DFP") provides financial and creative resources to nonfiction filmmakers around the world. Through open applications, the Documentary Fund provides more than two million dollars in non recoupable film financing each year, and labs focused on editing and producing support both emerging and experienced makers. DFP-supported artists also receive ongoing strategic and creative support throughout the life cycle of their film.

<u>Indigenous Program</u>

Sundance Institute champions and provides deep support of Indigenous-created stories on a global scale. From labs and fellowships to screenings and gatherings around the world, the Indigenous Program's offerings are designed in response to the specific needs of Native and Indigenous storytellers.

<u>Catalyst</u>

Catalyst is the Institute's film financing program which aims to build a culture of partnership between independent investors and filmmakers. The program includes a year-round investor track, a filmmaker track and the signature Catalyst Forum where investors connect directly with filmmakers through presentations, individual meetings, panels and informal social moments.

Producers Program

Recognizing the crucial role that independent producers play in finding, shaping, and championing original filmmaking voices the Producers Program supports both fiction and nonfiction producers at all stages of their feature-length projects and their careers. The program includes a year-round continuum of support, including labs, fellowships, grants, networking events, funding, and educational resource opportunities. Through these activities, producers create community with fellow producers and industry members, hone creative skills, gain knowledge of the field, and develop strategies for pitching, producing, financing, and releasing their films.

NOTES TO FINANCIAL STATEMENTS

August 31, 2023 and 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Nature of Operations (Continued)

Episodic Program

The Sundance Institute Episodic Program provides artists with the tools and training to develop their original series and pilot script. Offering one of the few training grounds for independent voices, the program is designed to help creators move their projects and careers forward.

Ignite

Sundance Ignite identifies and supports new voices and talent from the next generation of filmmakers and fosters fresh audiences for independent storytelling. The program offers individuals ages 18 to 25 the Young Adult Discount at the Sundance Film Festival, the Sundance Ignite x Adobe Fellowship Program, a competitive and year-round artist-development program.

Equity, Impact & Belonging

Inclusion is one of the core values driving Sundance Institute's work. Equity, Impact & Belonging encompasses our initiatives across all programs within our organization to deepen engagement with and support of storytellers and audiences across ethnicities, genders, abilities, sexual orientations, and geographic regions. In doing so, we work to increase the diversity of projects submitted for consideration to all Institute programs—including labs, intensives, grants, and the Sundance Film Festival—and to inspire emerging artists to tell their stories.

Women at Sundance

Women at Sundance is dedicated to creating gender equity in American media and innovating ways for women to succeed as storytellers who shape our cultural landscape. Women at Sundance supports filmmakers from historically underrepresented communities, through yearlong fellowships and shorter intensives, to cultivate career sustainability, build community and strengthen the artist pipeline.

Basis of Presentation

For external reporting purposes, the Institute prepares its financial statements using the accrual method of accounting and follows U.S. generally accepted accounting principles ("US GAAP") for not-for-profit organizations and reports information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions. Classification of restricted net assets is determined by the nature of any donor-imposed restrictions.

- Without donor restriction net assets represent expendable funds available for operations which are not otherwise limited by donor restrictions.
- With donor restriction net assets consist of contributed funds subject to specific donor-imposed
 restrictions contingent upon specific performance of a future event or a specific passage of time
 before the Institute may spend the funds or require that the assets be maintained in perpetuity
 usually for the purpose of generating investment income to fund current operations.

Internally, the accounts of the Institute are maintained in accordance with the principles of fund accounting. This is the procedure by which resources are classified for accounting and reporting purposes into funds established according to their nature and intended use.

NOTES TO FINANCIAL STATEMENTS August 31, 2023 and 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Presentation (Continued)

The following self-balancing funds are maintained by the Institute:

Operating Fund - is used to account for assets with and without donor restriction, liabilities and resources that are available to support the Institute's operations and programs.

Core (General) Endowment Fund - consists of the principal amount of gifts accepted with the donor stipulation or by Uniform Prudent Management of Institutional Funds Act ("UPMIFA") that the corpus be maintained intact in perpetuity and that only the income generated from the corpus be expended for operations of the Institute.

Core (Ford) Endowment Fund - consists of contributed principal, earnings and matching contributions from individual donors generated through Institute fundraising activities, with a donor stipulation or by UPMIFA that a principal balance of \$1,700,000 be maintained intact in perpetuity. The earnings on the principal balance are available for use in operations.

Theatre (Duke) Endowment Fund - consists of contributed principal, earnings and matching contributions from individual donors generated through Institute fundraising activities, with a donor stipulation or by UPMIFA that a principal balance of \$3,000,000 be maintained intact in perpetuity. Earnings on the \$3,000,000 principal must be used for specific artistic programming expenses as defined in the grant agreement.

Documentary (Engelhard) Endowment Fund - consists of the principal amount of gifts accepted with the donor stipulation or by UPMIFA that the corpus of \$1,000,000 be maintained in perpetuity and that earnings must be used for the Documentary Film Program.

Federated Indians of Graton Rancheria Endowment Fund – consists of the principal and earnings from the Graton Tribe with the donor stipulation or by UPMIFA that the corpus of \$4,000,000 be maintained in perpetuity and that earnings must be used for the Indigenous Program.

Innovation Fund – consists of contributed principal and earnings from donors with the restriction that the funds must be used to support new initiatives of the Institute.

Capital Campaign – consists of principal and earnings from donors with the restriction that the funds be used to support the Institute's campaign efforts.

NOTES TO FINANCIAL STATEMENTS August 31, 2023 and 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Institute considers all highly liquid debt instruments with an original maturity of three months or less to be cash equivalents. Cash and cash equivalents were made up of the following for years ended August 31:

	2023	2022
Cash on deposit	\$ 4,185,427	\$ 12,401,994
Government money market funds	8,210,090	7,015,123
Accrued interest	16,667	17,403
Total	\$ 12,412,184	\$ 19,434,520

Accounts Receivable

Accounts receivable are recorded at their estimated realizable value. The Institute determines its allowance by considering a number of factors, including the length of time receivables are past due, the Institute's previous loss history, the payer's current ability to pay its obligation to the Institute, and the condition of the general economy and industry as a whole. Based on these factors, the Institute expects all accounts receivable to be collected; therefore, no allowance for uncollectible receivable amounts is recorded as of August 31, 2023 and 2022. An account is written off when it is determined that all collection efforts have been exhausted.

Promises to Give

Contributions represent unconditional promises to give that are expected to be collected within one year and are recorded in the period received at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded in the period received at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-free interest rates applicable to the years in which promises are received. Discounts on contributions that are measured at present value are amortized as the associated revenue is released. Conditional promises to give are not recognized until the conditions on which they depend are substantially met.

NOTES TO FINANCIAL STATEMENTS

August 31, 2023 and 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Promises to Give (Continued)

Based on historical experience, the contributor's current ability to pay its obligation to the Institute and the condition of the general economy and industry as a whole, the Institute has created an allowance for unconditional promises to give that it does not expect to be collected. The allowance for uncollectible pledge accounts recorded was \$45,505 and \$31,498 as of August 31, 2023 and August 31, 2022, respectively.

Property and Equipment

The Institute capitalizes all expenditures for property and equipment which individually exceed \$5,000. Donated property and equipment are recorded at fair value on the date of donation.

Depreciation and Amortization

Depreciation and amortization are computed on the straight-line method over the following estimated useful lives:

Assets	Useful Lives
Commorpial buildings	30 voores
Commercial buildings Furniture and fixtures	39 years 5 years
Leasehold improvements	Lesser of useful life or term of the lease
Office equipment	5 years
Production equipment	5 years
Projection equipment	5 years
Software	3 years
Tech equipment	5 years

Investments

Investments are initially recorded at their acquisition cost if purchased and at estimated fair value on the date of donation if they were received as a contribution. Subsequent to acquisition, all debt and equity securities are valued and reported at their readily determinable fair market values. Realized and unrealized gains and losses are included in the Statement of Activities.

Long-lived Assets

The Institute accounts for long-lived assets in accordance with the Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 360-10-05, Accounting for the Impairment of Long-Lived Assets. FASB ASC 360-10-05 requires that long-lived assets be reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future net undiscounted cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of carrying amount or fair value less costs to sell. No assets are considered to be impaired at August 31, 2023 and 2022.

NOTES TO FINANCIAL STATEMENTS

August 31, 2023 and 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Construction-in-progress

In fiscal year 2019, the Institute launched a capital campaign to support the construction of a building in Park City, Utah. Due to COVID-19, the campaign was paused in March 2020. All project costs related to the development of this new facility were capitalized and recorded as part of other assets. In fiscal year 2022, the decision was made to relaunch a capital campaign focusing on the Institute's general endowment and pivoting away from a building. As a result, \$1,082,805 in construction-in-progress was written off as of August 31, 2022.

Donated Non-Financial Assets

Donated non-financial assets are reported at their estimated fair value as contributed revenue and expense.

Deferred Revenue

Cash receipts related to future exchange transactions are recorded as deferred revenue and are recognized as revenue in the time period in which the exchange occurs.

Program Revenue

Ticket sales and other revenue are recorded as operating revenue as services are provided and when earned.

Contributions

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or are restricted by the donor for specific purposes are reported as support with donor restriction that increases those net asset classes. Net assets with donor restriction are reclassified to net assets without donor restriction when a time restriction ends or a purpose restriction is accomplished. If a restriction is fulfilled in the same time period in which the contribution is received, the Institute reports the support as without donor restriction.

Advertising Costs

Advertising costs are charged to operations when incurred. Advertising expense was \$931,066 and \$714,325 for the fiscal years ended August 31, 2023 and 2022, respectively. \$434,334 and \$402,905 were provided through in-kind contributions during the fiscal years ended August 31, 2023 and 2022, respectively.

Functional Allocation of Expenses

The costs of programs and supporting services have been summarized on a functional basis in the Statement of Activities and Statement of Functional Expenses. All direct costs are charged to the functional area they pertain to. Indirect costs are charged to programs and supporting services based on estimates made by management, taking into account the nature of the expense and how it relates to the functional area. General and administrative costs include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Institute.

NOTES TO FINANCIAL STATEMENTS August 31, 2023 and 2022

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes

1.

The Institute has received a determination letter from the Internal Revenue Service that it is an organization exempt from taxation under Section 501(c)(3) of the Internal Revenue Code. Accordingly, the Institute is not subject to federal or state income taxes.

The Institute adopted the provisions of FASB ASC 74-10-25, *Accounting for Uncertainty in Income Taxes* on September 1, 2009. FASB ASC 740-10-25 provides that a tax benefit from an uncertain tax position may be recognized when it is more likely than not that the position will be sustained upon examination, including resolutions of any related appeals or litigation processes, based on the technical merits. Income tax positions must meet a more-likely-than-not recognition threshold at the effective date to be recognized upon the adoption of FASB ASC 740-10-25 and in subsequent periods. The Institute analyzed tax positions for all applicable tax jurisdictions for which the statute of limitations remained open for the years ended August 31, 2019 through August 31, 2022 and determined there were no material unrecognized benefits for the related tax jurisdictions since September 1, 2010 and it is not expected there will be a material change in the 12 months following the year ended August 31, 2023.

Fair Value of Financial Instruments

The Institute's financial statements, including cash, accounts receivable, accounts payable and accrued liabilities are carried at cost, which approximates their fair value because of the short-term nature of these instruments.

In accordance with the provisions of FASB ASC 820, Fair Value Measurements, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the "exit price") in an orderly transaction between market participants at the measurement date.

In determining fair value, the Institute uses various valuation approaches. FASB ASC 820 establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are inputs that market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the Institute. Unobservable inputs are inputs that reflect the Institute's assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. The hierarchy is broken down into three levels based on the observability of inputs as follows:

Level 1-Valuations based on quoted prices in active markets for identical assets or liabilities that the Institute has the ability to access. Valuation adjustments and block discounts are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.

Level 2-Valuations based on one or more quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.

Level 3-Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The availability of observable inputs can vary from product to product and is affected by a wide variety of factors, including, for example, the type of product, whether the product is new and not yet established in the marketplace, the liquidity of markets and other characteristics particular to the transaction.

NOTES TO FINANCIAL STATEMENTS August 31, 2023 and 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value of Financial Instruments (Continued)

To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised by the Institute in determining fair value is greatest for instruments categorized in Level 3.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes the level in the fair value hierarchy within which the fair value measurement falls in its entirety is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

Fair value is a market-based measure considered from the perspective of a market participant rather than an entity-specific measure. Therefore, even when market assumptions are not readily available, the Institute's own assumptions are set to reflect those that the Institute believes market participants would use in pricing the asset or liability at the measurement date. See Note 9 for a description of valuation techniques applied to the major categories of financial instruments measured at fair value.

New Accounting Pronouncements

In March 2016, the FASB issued Accounting Standards Update 2016-02, *Leases*, which requires all leases that have a term of more than 12 months to be recognized as assets and liabilities on the balance sheet at inception. This new guidance is effective for fiscal years beginning after December 15, 2021. A lessee would recognize a lease liability to make lease payments owed to a lessor (liability) and a benefit for the right to use the leased asset (asset) for the lease term. The recognition, measurement, and presentation of expenses and cash flows arising from a lease by a lessee would depend on whether the lessee is expected to consume more than an insignificant portion of the economic benefits embedded in the underlying asset. Management adopted this standard in the year ended August 31, 2023.

The Institute has elected the package of practical expedients permitted in ASC Topic 842. Accordingly, the Institute accounted for its existing leases as either finance or operating lease under the new guidance, without reassessing (a) whether the contract contains a lease under ASC Topic 842, (b) whether classification of the operating lease would be different in accordance with ASC Topic 842, or (c) whether the unamortized initial direct costs before transition adjustments would have met the definition of initial direct costs in ASC Topic 842 at lease commencement. As a result of this adoption, effective September 1, 2022 the Institute recognized no cumulative effect adjustment to net assets, an operating lease liability of \$2,441,481 and an operating right-of-use asset of \$2,602,143. The adoption of the new standard did not materially impact the Institute's statements of activities or statements of cash flows. See Note 12 for further disclosure of the Institute's leases.

2. PROMISES TO GIVE

Promises to give include amounts not yet collected from pledges, grants and contracts that meet the definition of unconditional promises to give. Amounts which will not be collected within one year are recorded at the present value of their estimated future cash flows, using Treasury Yield Curve Rates. The rate is determined by the pledge date, future due date (1 year, 2 year, etc.) and an additional risk discount rate of 0.50%. In fiscal year 2019 the Institute began a multi-year Capital Campaign, which was paused in March 2020 due to COVID-19. Promises to give include \$6,363,073 net Capital Campaign and \$164,195 net Innovation Fund pledges received for the fiscal year ended August 31, 2023 and \$7,925,433 net Capital Campaign and \$353,670 net Innovation Fund pledges for the fiscal year ending August 31, 2022.

NOTES TO FINANCIAL STATEMENTS

August 31, 2023 and 2022

2. PROMISES TO GIVE (Continued)

During the year ended August 31, 2023, the Institute received notification that a promise to give had been rescinded due to a change in the donor's internal policies related to multi-year pledges. The Institute wrote off this promise to give and recognized a related loss of \$1,670,376 on the statement of activities. As this amount was included in net assets with donor restrictions, the loss has been reflected as a loss in the with donor restrictions section of the statement of activities.

Information related to promises to give as of August 31, is as follows:

	2023	2022
Included in current promises to give are		
the following:		
Promises to give	\$ 19,268,600	\$ 24,663,244
Less allowance	(45,504)	(31,497)
Net current promises to give	\$ 19,223,096	\$ 24,631,747
Included in noncurrent promises to give		
are the following:		
Promises to give	\$ 1,385,000	\$ 3,580,000
Less discount	(1,194,177)	(1,289,763)
Net noncurrent promises to give	\$ 190,823	\$ 2,290,237
Amounts due in:		
Less than one year	\$ 16,184,465	\$ 16,853,244
One to five years	4,469,135	11,390,000
Less allowance	(45,504)	(31,497)
Less discount	(1,194,177)	 (1,289,763)
	\$ 19,413,919	\$ 26,921,984

3. CONDITIONAL PLEDGES

Park City Municipal Corporation has a long-term Master Festival License Agreement allowing the Institute to produce the annual Sundance Film Festival in Park City. The agreement expires in 2026 with an automatic renewal of an additional 1 year.

In July 2019 the Institute received a \$3 million irrevocable bequest as part of its Capital Campaign from a donor that upon future receipt will be used to establish a new endowment fund for the support of female artists.

In 2019 the Institute received two pledges that are conditional upon the amounts raised for the Capital Campaign. A donor pledged \$2.5 million over five years, and as of August 31, 2023 the net outstanding balance of this pledge was \$500,000. Another donor pledged \$5 million over ten years, and as of August 31, 2023 the net outstanding balance of this pledge was \$3,000,000.

NOTES TO FINANCIAL STATEMENTS August 31, 2023 and 2022

4. DONATED NON-FINANCIAL ASSETS

The Institute has an extensive system in place to track and to record the financial impact of support from donated non-financial assets. Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased. The Institute recognizes non-financial asset contribution revenue and related corresponding expense in an amount approximating the estimated fair value at the time of the donation.

Donated non-financial assets were contributed to support specific programs for the year ended August 31, as follows:

	Est	2023 timated fair value	Es	2022 timated fair value
Program				
Film Festival	\$	2,157,313	\$	888,383
Feature Film		585,544		462,194

NOTES TO FINANCIAL STATEMENTS August 31, 2023 and 2022

4. DONATED NON-FINANCIAL ASSETS (Continued)

Donated advertising is estimated at the value that would need to be purchased if they were not donated. Donated equipment is valued at 1/5 of the purchase price, or approximately 1 year of fair value on the date of receipt. Donated goods are valued at the wholesale price that would be received for selling similar products. All donated services were utilized by the Institute's programs and supporting services. Services are estimated at the value that would need to be purchased if they were not donated. There were no donor-imposed restrictions associated with the donated services. Donated space is valued at the fair value of similar properties available in commercial real estate listings.

Donated non-financial assets by program and type for the year ended August 31, 2022 was as follows:

	D	onated	Γ	onated	Γ	Oonated]	Donated	Γ	onated	D	onated	
Program	Ad	vertising	Eq	uipment		Goods		Services		Space	,	Travel	Total

5. LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

	2023	2022
Cash and short-term investments	\$ 12,412,184	\$ 16,619,077
Accounts receivable	31,129	7,969
Short-term promises to give, net	16,138,961	3,252,114
Total financial assets	28,582,274	19,879,160
Endowment Fund: Board budgeted draw in following		
FY	789,528	1,135,000
Financial assets available to meet general expenditures within the next twelve	\$ 29,371,802	\$ 21,014,160

NOTES TO FINANCIAL STATEMENTS August 31, 2023 and 2022

5. LIQUIDITY AND AVAILABILITY (Continued)

The financial assets available to meet general expenditures within the next twelve months represents 60% of the operating budget for fiscal year 2024. The remaining portion of the budget will be provided by the net assets with donor restrictions already held by the Institute that are estimated to be released from assets with donor restrictions and additional unrestricted donations in fiscal year 2024. Each fiscal year the Institute's endowment draw is approved by the board as part of the budgeting process and was \$1,135,000 and \$1,135,000 for the years ended August 31, 2023 and 2022, respectively. The Institute's actual endowment draws were \$1,097,000 and \$750,000 for the years ended August 31, 2023 and 2022, respectively. As part of the Institute's liquidity management plan, it invests cash in excess of monthly operating requirements in short-term investments. The Institute has a \$3.5 million line of credit available for its short term needs with a maturity date of January 31, 2025. This line of credit had a zero balance as of August 31, 2023 and 2022.

The Institute's annual endowment draw is approved by the Finance Committee and is targeted to not exceed 5% in a given year, computed using the lesser of a three year rolling average or a 12 month value with the same effective ending date.

6. PROPERTY AND EQUIPMENT, NET

Depreciation and amortization expense was \$1,149,807 and \$1,091,066 for the years ended August 31, 2023 and 2022, respectively.

	2023	 2022
Leasehold improvements	\$ 1,727,104	\$ 1,727,104
Office equipment	19,630	50,315
Furniture & Fixtures	-	5,215

Total investment return		795,465		2,229,944	3,025,409
Less: Management fees		(141,119)		_	(141,119)
Non-operating investment return	\$	654,346	\$	2,229,944	\$ 2,884,290

NOTES TO FINANCIAL STATEMENTS August 31, 2023 and 2022

8. INVESTMENTS (Continued)

Investment returns for the year ended August 31, 2022 are summarized as follows:

	Wit	hout donor	V	Vith donor	
	re	estrictions	r	restrictions	Total
Interest and dividends	\$	105,038	\$	522,964	\$ 628,002
Realized and unrealized gains		(365,699)		(4,298,753)	 (4,664,453)
Total investment return		(260,661)		(3,775,790)	(4,036,451)
Less: Management fees		(149,562)			(149,562)
Non-operating investment return	\$	(410,223)	\$	(3,775,790)	\$ (4,186,013)

Interest income on cash and cash equivalents and short-term investments is included in operating activities in the Statement of Activities as those instruments are used for the Institute's daily cash management activities. All other investment returns are considered non-operating.

9. FAIR VALUE MEASUREMENTS

The following fair value hierarchy table presents information about the Institute's assets and liabilities measured at fair value on a recurring basis as of August 31, 2023. See Note 1 for a discussion of the Institute's policies regarding this fair value hierarchy.

Assets and Liabilities Measured at Fair Value on a Recurring Basis as of August 31, 2023 are as follows:

	Quoted Prices			
	In Active	Significant		
	Markets for	Other	Significant	
	Identical	Observable	Unobservable	Balance as of
	Assets	Inputs	Inputs	August 31,
	(Level 1)	(Level 2)	(Level 3)	2023

NOTES TO FINANCIAL STATEMENTS August 31, 2023 and 2022

9. FAIR VALUE MEASUREMENTS (Continued)

Assets and Liabilities Measured at Fair Value on a Recurring Basis as of August 31, 2022 are as follows:

	Quoted Prices			
	In Active	Significant		
	Markets for	Other	Significant	
	Identical	Observable	Unobservable	Balance as of
	Assets	Inputs	Inputs	August 31,
	(Level 1)	(Level 2)	(Level 3)	2022
Cash equivalents	\$ 7,015,123	\$ -	\$ -	\$ 7,015,123
Fixed income securities	5,216,386	-	-	5,216,386
Mutual funds – bonds	1,736,201	-	-	1,736,201
Mutual funds – equities	5,895,963	-	-	5,895,963
Exchange traded funds	5,800,002	-	-	5,800,002
Alternative investment			9,625,013	9,625,013
Total	\$ 25,663,675	\$ -	\$ 9,625,013	\$ 35,288,688

The Company invests in the SCS Financial managed hedge funds Absolute Return Strategies - Offshore, Ltd., Hedged Equity - Offshore, Ltd., Multi-Sector Credit Offshore, Ltd., Indus Select Fund, Ltd., Alatus Inflections Long Only, Private Equity VII Offshore, LP and Private Equity VIII Offshore, LP. Management considers these funds to be Level 3 trading securities and invests in these funds for maximization of returns. The Funds invest in other private placement funds that are in both long and short non-publicly traded positions.

The changes in the recorded amount of the investment for the years ended August 31, 2023 and 2022 are summarized as follows:

2023	2022
\$ 9,625,013	\$ 8,017,623
-	(1,194,437)
(383,528)	3,959,256
601,888	(1,157,429)
\$ 9,843,373	\$ 9,625,013
	(383,528) 601,888

The Institute used the following methods and significant assumptions to estimate fair value of assets recorded at fair value:

Cash equivalents and fixed income securities consist of commercial paper, corporate bonds, and municipal bonds. These securities are valued using either an accretion model or the weighted average price from inputs from a variety of industry standard data providers, security master files from financial institutions, and other third-party sources.

Mutual funds consist of publicly traded money market, bond, and equity funds valued using identical securities traded in the open market.

NOTES TO FINANCIAL STATEMENTS

August 31, 2023 and 2022

9. FAIR VALUE MEASUREMENTS (Continued)

The valuation of alternative investments is based on the value of the funds underlying investments as reported by the broker which are audited annually.

The Institute's policy is to record transfers of assets and liabilities between Level 1 and Level 2 at their fair value as of the end of each reporting period, consistent with the date of the determination of fair value. Transfers between levels in the fair value hierarchy are recognized at the end of the reporting period. Assets are transferred from Level 2 to Level 1 when transactions volume and frequency are indicative of an active market. During the year ended August 31, 2023, there were no transfers of certain assets from Level 2 to Level 1. Conversely, assets are transferred from Level 1 to Level 2 when assets are no longer transacted with sufficient frequency and volume in an active market. The Institute had no transfers from Level 1 to Level 2 during the year ended August 31, 2023.

10. LINE OF CREDIT AND LETTER OF CREDIT

On January 13, 2023, the Institute renewed a \$3.5 million unsecured, revolving credit facility (the "Credit Facility") with a term of two years that will expire on January 31, 2025 with Zions Bank. The Credit Facility may be used to provide for the Institute's ongoing general corporate working capital requirements. Revolving credit loan bears interest at the United States Treasury (CMT) rate plus 3.18%. In addition, the Credit Facility contains restrictive covenants relating to the Institute's management and the operation of the Institute's business. These covenants, among other things, limit or restrict the Institute's ability to grant liens on its assets, incur additional indebtedness, enter into transactions to merge or consolidate with another entity. As of August 31, 2023, there were no drawdowns on the loan.

On May 18, 2023, the Institute renewed a \$66,522 irrevocable and unconditional standby letter of credit which serves as the security deposit for the New York office. This instrument terminates on October 31, 2023 when the lease ends.

11. PAYCHECK PROTECTION PROGRAM

In March 2021, the Institute obtained a federal Paycheck Protection Program (PPP) loan for \$2,000,000. The PPP was created by the federal government in response to economic repercussions of the spread of COVID-19. PPP loans are forgiven if loan recipients: 1) Spend loan proceeds within 24 weeks on eligible expenses and 2) Spend a minimum of 60% of loan proceeds on payroll costs. The Institute followed these guidelines and received forgiveness of the PPP loan in 2022.

In accordance with ASC 985-605, *Not-for-Profit Entities*, the Institute recognized contribution revenue when the balances were forgiven in 2022.

12. COMMITMENTS

The Institute leases office space under non-cancellable operating leases that contain terms where the monthly payment increases over the lease term and contain certain renewal options. The Institute also has various non-cancellable Film Festival venue rental agreements. In addition, the Institute also rents various venues and equipment for programs on an annual basis. Total rent expense was \$3,356,010 and \$2,286,935 for the fiscal years ended August 31, 2023 and 2022, respectively:

NOTES TO FINANCIAL STATEMENTS

August 31, 2023 and 2022

12. COMMITMENTS (Continued)

The Institute has elected the short-term lease exemption for all leases with a term of 12 months or less for both existing and ongoing operating leases to not recognize the asset and liability for these leases. Lease payments for short-term leases are recognized on straight-line basis.

The Institute included in the determination of the right-of-use assets and lease liabilities any renewal options when the options are reasonably certain to be exercised. The leases provide for increases in future minimum annual rental payments. Also, the agreements generally require the Institute to pay real estate taxes, insurance, and repairs.

The weighted-average discount rate is based on the discount rate implicit in the lease, or if the implicit rate is not readily determinable from the lease, then the Institute estimates an applicable incremental borrowing rate. The incremental borrowing rate is estimated using a risk-free rate.

The Institute's lease agreements do not contain any material restrictions, covenants, or any material residual value guarantees.

Total lease costs for the years ended August 31, 2023 and 2022, were as follows:

	 2023	2022
Operating lease costs	\$ 1,386,106	n/a

The following table summarizes the supplemental cash flow information for the years ended August 31, 2023 and 2022:

	2023	2022
Cash paid for amounts included in		
the measurement of lease liabilities:		
Operating cash flows used for operating leases	\$ 1,436,240	n/a
Right-of-use assets obtained in		
exchange for lease liabilities		
Operating leases	\$ 2,441,481	n/a

The following table summarizes the weighted-average remaining lease term and weighted-average discount rate as of August 31, 2023 and 2022:

	2023	2022
Weighted-average remaining lease term Operating leases	1.7	n/a
Weighted-average discount rate Operating leases	2.46%	n/a

NOTES TO FINANCIAL STATEMENTS August 31, 2023 and 2022

12. COMMITMENTS (Continued)

Future lease obligations as of August 31, 2023 are as follows:

Years Ending August 31,	Office Space		Film Festival		Total	
2024	\$	280,971	\$	593,439	\$	874,410
2025		-		491,295		491,295
2026		-		309,411		309,411
2027		-		287,243		287,243
2028		-		109,890		109,890
Later years		-				-
Total lease payments		280,971		1,791,278		2,072,249
Less: present value discount		(6,985)		(96,486)		(103,471)
Present value of lease liabilities	\$	273,986	\$	1,694,792	\$	1,968,778

Other commitments include employment contracts the Institute has entered into with key executives before August 31, 2023. The first provides for an annual housing allowance of up to \$50,000 to be grossed up for applicable income tax, an additional 4% discretionary contribution to the Institute's 401k plan and a severance payment of one-year annual salary if terminated before October 30, 2024. The second agreement provides for an annual housing stipend of \$10,000 and salary through November 1, 2024 if terminated without cause before that date. The third agreement provides for moving expenses up to \$15,000 and two round-trip tickets from Los Angeles to Toronto for personal travel use.

13. PROGRAM EXPENSES

Program expenses for the years ended August 31, are summarized as follows:

	2023	2022
Film Festival	\$ 21,426,210	\$ 14,178,275
Digital Festival	2,924,999	3,733,681

Film festival	5,83	2,062	7,016,741
Feature film	1,11	9,103	1,286,742
Equity, Impact & Belonging	88	6,483	1,494,600
Documentary	3,06	4,892	5,619,204
Total with donor restricted			
net assets	\$ 56,74	0,686	\$ 57,626,788

15. EMPLOYEE BENEFIT PLANS

The Institute has adopted a qualified profit sharing plan under Section 401(k) of the Internal Revenue Code for the benefit of its employees. The plan allows eligible employees to contribute up to 100% of their compensation subject to limits determined by the Internal Revenue Service. Employees can contribute to the plan after three months of service. The Institute makes a committed safe harbor contribution and a discretionary percentage contribution to eligible staff with one year of service and a minimum of 1,000 hours. Effective September 1, 2021, the Institute terminated the discretionary percentage contribution. The amount is determined as part of the overall budget process which is ultimately approved by the Board of Trustees. During the years ended August 31, 2023 and 2022, the Institute contributed \$391,254 and \$361,006, respectively, to the plan.

16. RELATED PARTY TRANSACTIONS

Included in promises to give, receivables, and payables are amounts due from related parties for transactions which relate to program activities.

Board of Trustees

The Institute received contributions of \$1,507,989 and \$1,572,153 from members of the Institute's Board of Trustees (the Board) for the years ended August 31, 2023 and 2022, respectively. Outstanding net pledges receivable from board members were \$6,127,778 and \$7,436,468 as of August 31, 2023 and 2022, respectively.

Members of the Institute's Board may, from time to time, be associated, either directly or indirectly, with companies doing business with the Institute. There are written conflict of interest policies for the Institute that require, among other things, that a member of a governing board must disclose the existence and nature of his or her financial interest in any proposed transaction or compensation arrangement to the Board. Disinterested members shall exercise due diligence in investigating the proposed transaction or arrangement including investigating possible alternatives.

NOTES TO FINANCIAL STATEMENTS

August 31, 2023 and 2022

16. RELATED PARTY TRANSACTIONS (Continued)

Disinterested members shall determine, by majority vote, whether the transaction or arrangement is in the Institute's best interest and for its own benefit, and whether the transaction is fair and reasonable to the Institute and shall make its decision as to whether to enter into the transaction or arrangement in conformity with such determination. This process is overseen by the Audit Committee of the Board.

17. CONCENTRATION OF CREDIT AND MARKET RISK

The Institute maintains its cash balances in bank accounts, which at times may exceed their federally insured limits of \$250,000 set by the Federal Deposit Insurance Corporation (FDIC). The Institute has not experienced any losses related to these accounts and believes it is not exposed to any significant credit risk on these balances.

The Institute also maintains accounts with stock brokerage firms. The accounts contain cash, securities and other investments. The Institute's investments in securities are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with these investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the financial statements.

The Institute's promises to give include amounts due from three large donors comprising 37% and 41% of total promises to give at August 31, 2023 and 2022, respectively.

18. ENDOWMENT

The Institute's endowment includes donor-restricted endowments. As required by U.S. GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of relevant law - The Board of Trustees of the Institute has interpreted the Uniform Prudent Management of Institutional Funds Act ("UPMIFA") as adopted by the State of Utah as requiring the preservation of the fair value of the original gift as of the gift date of the donor restricted endowment funds absent explicit donor stipulations to the contrary.

As a result of this interpretation, the Institute classifies as donor restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor restricted endowment fund that is classified as net assets with donor restrictions until those amounts are expended by the Institute in a manner consistent with the standard of prudence prescribed by UPMIFA.

NOTES TO FINANCIAL STATEMENTS

August 31, 2023 and 2022

18. ENDOWMENT (Continued)

In accordance with UPMIFA, the Institute considers the following factors in making a determination to appropriate or accumulate donor restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the Institute and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the Institute
- (7) The investment policies of the Institute

Endowment net assets, end of year	\$ 1,956,844	\$ 21,949,276	\$ 23,906,120

Description of amounts classified as net assets with donor restrictions are as follows:

	2023	2022
The portion of perpetual endowment funds that is required to be retained permanently either by donor stipulation or by UPMIFA The portion of perpetual endowment funds subject to a time restriction under UPMIFA:	\$ 14,680,321	\$ 10,607,353
Without purpose restrictions	7,277,621	7,024,779
With purpose restrictions	4,731,841	4,317,144
Total endowment funds with donor		<u> </u>
restrictions	\$ 26,689,783	\$ 21,949,276

Funds with deficiencies - From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Institute to retain as a fund of perpetual duration. In accordance with U.S. GAAP, deficiencies of this nature are reported in net assets without donor restrictions. The Indigenous (Graton) endowment fund had a deficiency of (\$2,850) as of August 31, 2023 and there were no deficiencies as of August 31, 2022.

NOTES TO FINANCIAL STATEMENTS August 31, 2023 and 2022

18. ENDOWMENT (Continued)

Return objectives and risk parameters - The Institute has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets.

Endowment assets include those assets of donor-restricted funds that the organization must hold in perpetuity or for a donor specified period(s) as well as Board-designated funds.

Under this policy, as approved by the Board, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of the benchmarked indexes weighted in accordance with the target asset allocation while assuming a moderate level of investment risk. The Institute expects its endowment funds, over time, to grow at an average range of at least 2 to 5 percent annually. Actual returns in any given year may vary from this amount. Each fiscal year the Institute's endowment draw is approved by the board as part of the budgeting process and was \$1,135,000 and \$1,135,000 for the years ended August 31, 2023 and 2022, respectively. The Institute's actual endowment draws were \$1,097,000 and \$750,000 for the years ended August 31, 2023 and 2022, respectively.

Strategies employed for achieving objectives - To satisfy its long-term rate-of-return objectives, the Institute relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Institute targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Spending policy and how the investment objective relate to spending policy - The Institute has the option of appropriating for distribution each year up to 5 percent of its endowment fund's average fair value over the lesser of a three year rolling average or a 12 month value with the same effective ending date. In establishing this policy, the Institute and its Finance Committee considered the long-term expected return on its endowment. Accordingly, over the long term, the Institute and Finance Committee expects the current spending policy to allow its endowment to grow at an average range of at least 2 to 5 percent annually. This is consistent with the objective to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term as well as to provide additional real growth through new gifts and investment return.

NOTES TO FINANCIAL STATEMENTS August 31, 2023 and 2022

19. RESTRICTED ASSETS

The following table presents the nature of cash, cash equivalents, and investments as either with donor restrictions or without donor restrictions.

2023	2022
